DI VARI PRINCIPATI
E ALTRE PROVINCE
D'ITALIA
RACCONTATE

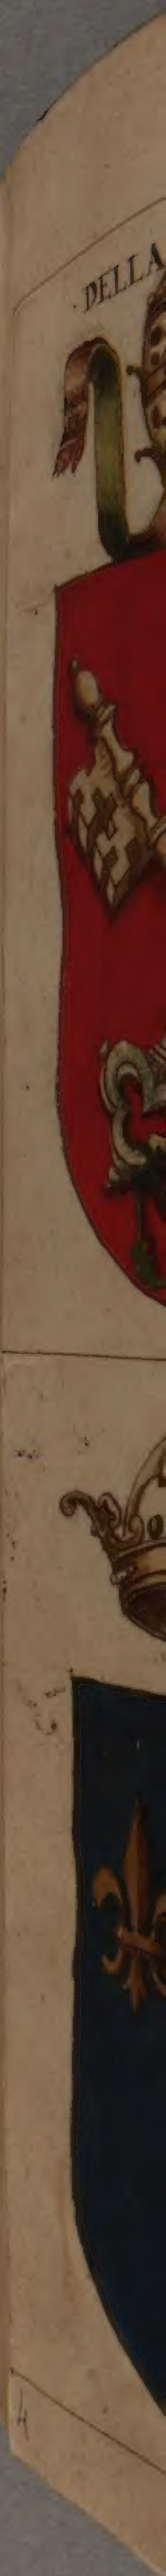

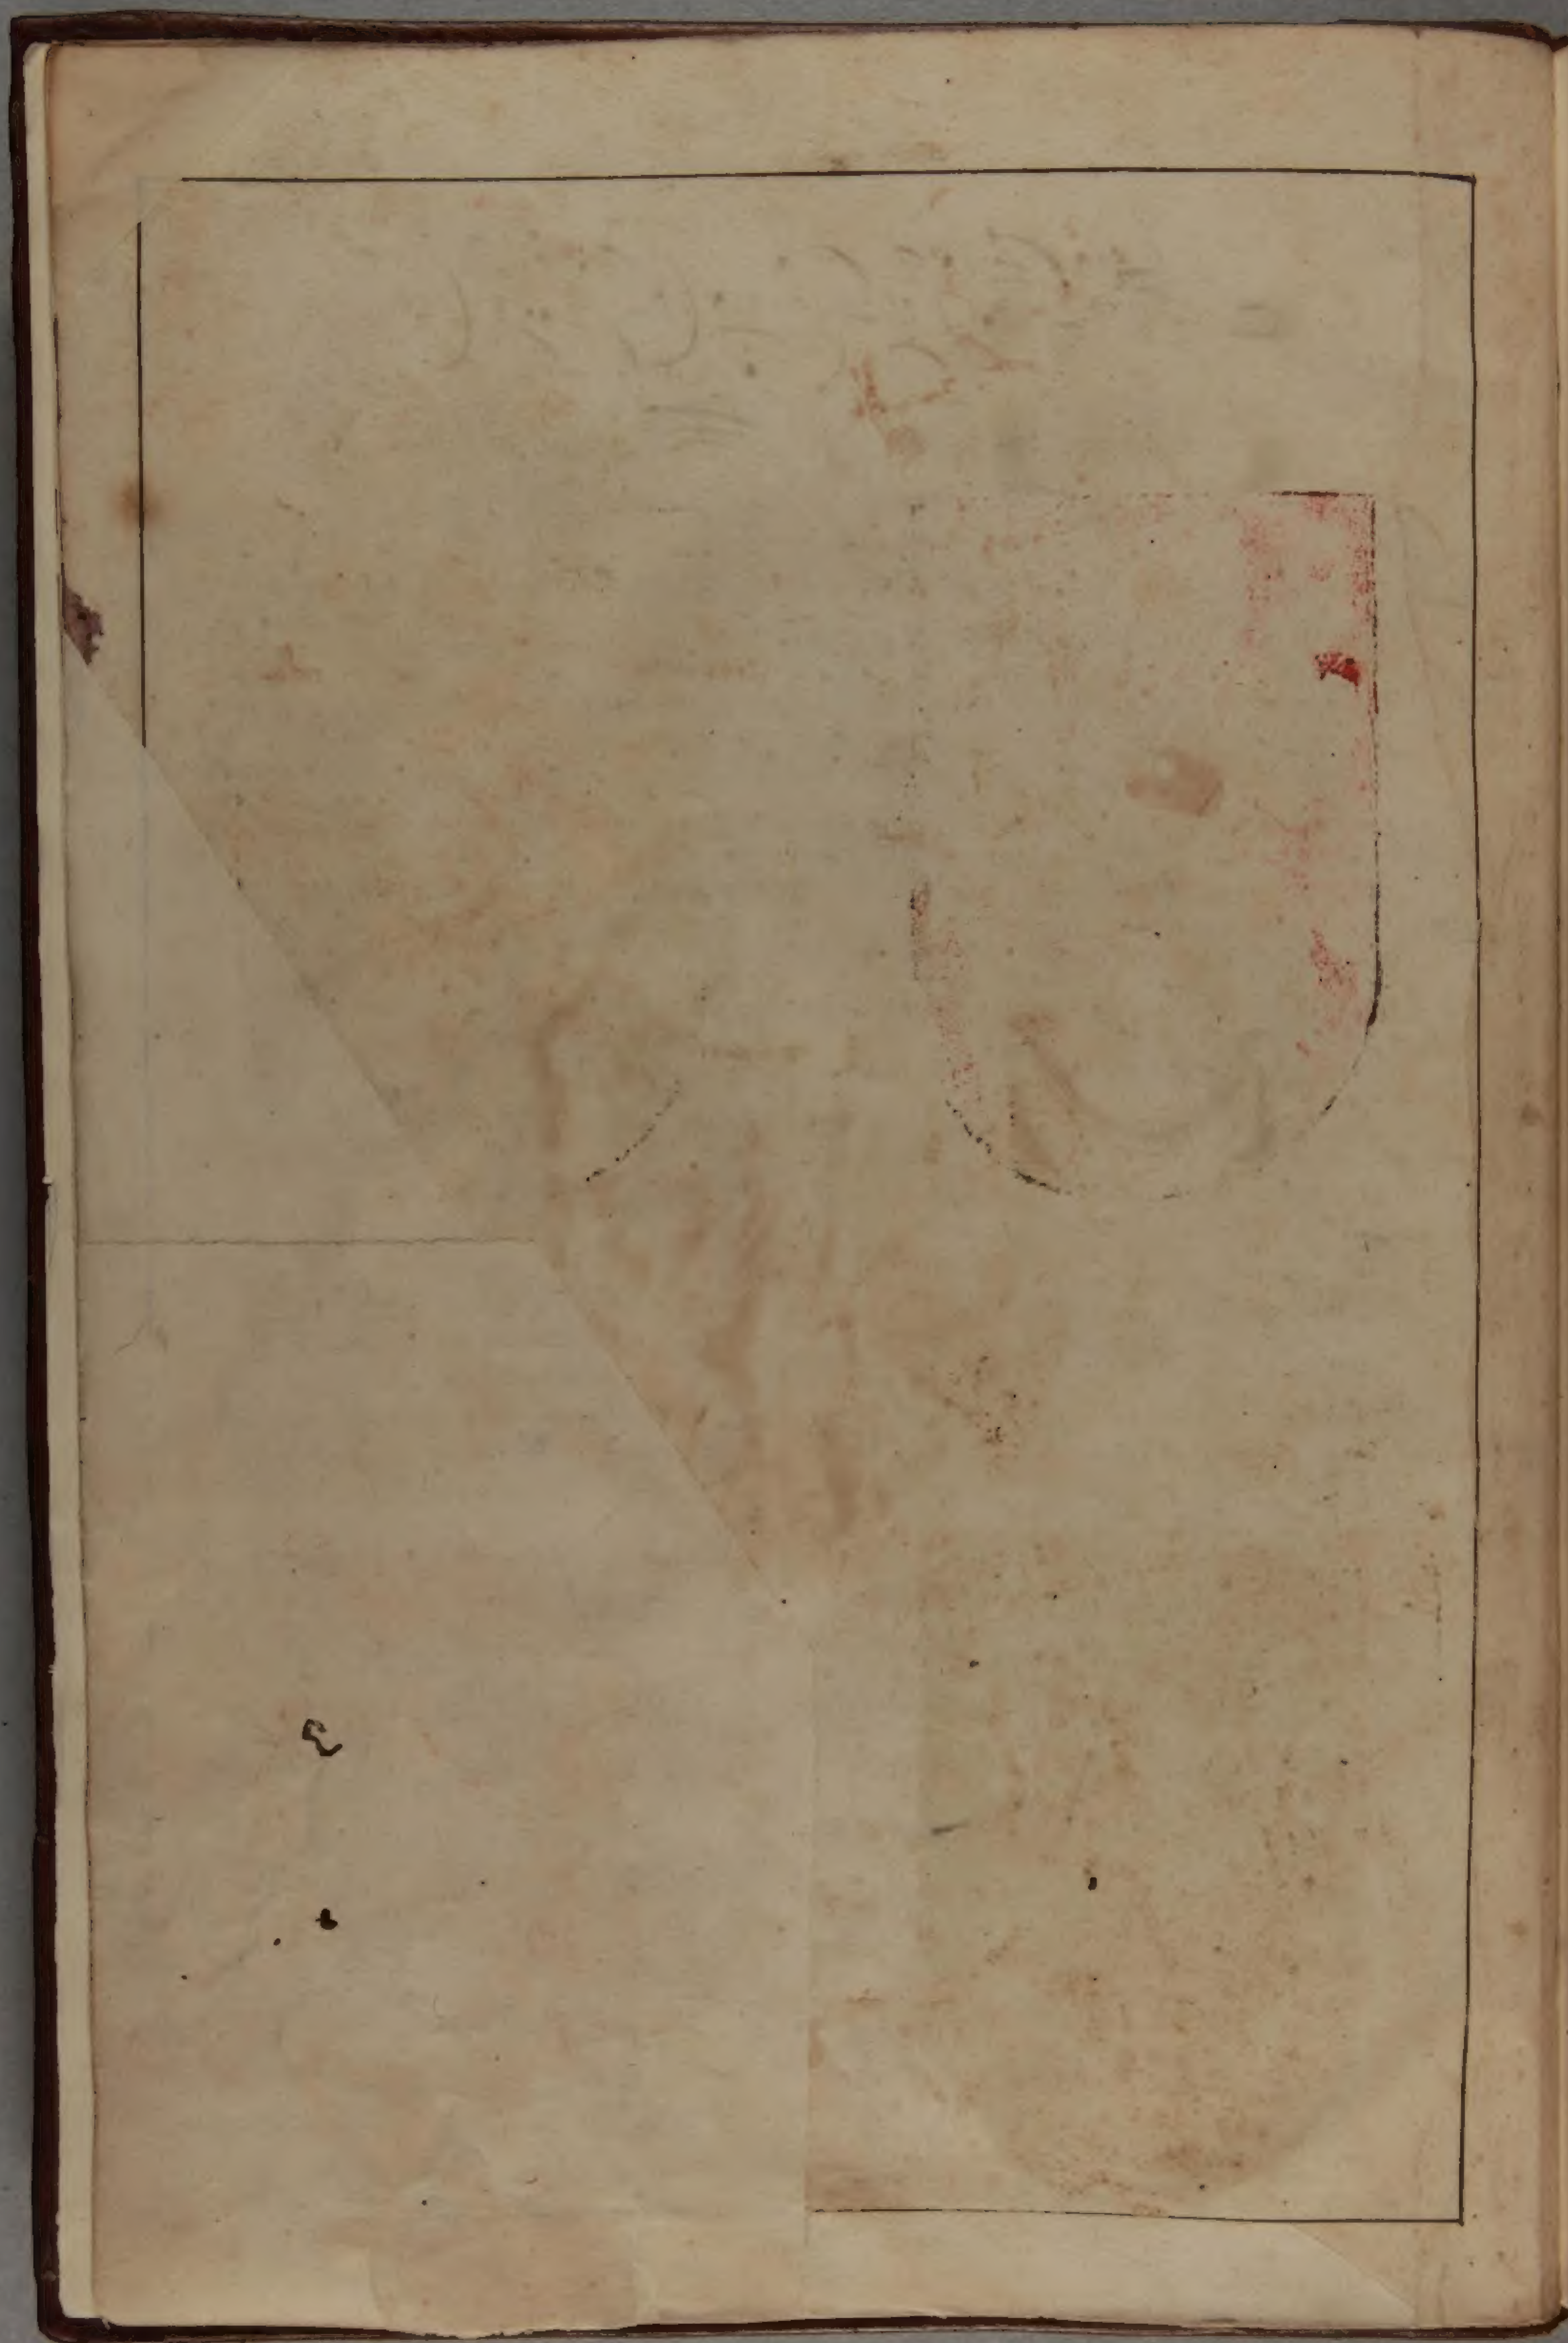

PE

Hinc Censura Proximis vlt. sig. Carat.

Tra tanti altri e di diverse *U. et D. M.* per opera delle quali la fama inalzando a i più gloriosi
 nomi quasi un sempiterno, et animato Mausoleo li conserva interi, et incorrotti a i secoli che ver-
 ranno, mio più a me non men d'acerta, che d'honorata memoria fu sempre alla piana del d'ito a
 marauiglia, e hebbe in maggiore stima, che euar l'altre, onde a cosa peggio alcuno potendoci
 è certo, s'is circamente giudico non senza ragione. Perciò che l'altre più nobili, come la Poesia
 e l'istorie, fanno propriam^{te} relatione all'orecchie, senso pigro, e neghittoso prouocatore del
 animo, e questa per mezzo de i colori s'imprime ne gli occhi, e per mezzo degli occhi s'esprime
 efficacem^{te} nell'animo, e dove quelle con le parole dipingono le cose, questa le cose con le cose
 dichiara. Per lo che mio *P. d'ago* più d'esercitare il pennello che la penna, s'affaticò di racco-
 gliere questo uario, et artificioso componimento dove quasi in breue tratto, propone alli occhi an-
 d'ipone all'animo di chi con gli esempi altrui di formar le sue operationi in guerra, la gloria, et
 i fuor di varie religioni, Potentati, et Famiglie nelle loro proprie insegne, e adombra-
 cendoli massim^{te} ferlato di rappresentarci a parte a parte quelle della Comuna patria
 per fare appertamente conoscere, et egli non bacia disegno ne d'arte, ne di pittura, che
 tesse, ne di pittura, per dipingere quel che douesse. Ma questo leggiadro pario che era forse
 nato di per mortale per esser egli immortale, se non fosse si coso morto, che lui porta ne gli
 occhi del Mondo eternare, si e rimaso nelle mie mani abbandonato senza speranza di de-
 uer uiuere. Et io desiderando pure di dar uita alle faccie di colui, dal qual io con-
 uincuto ne per me stesso potendo, uengo con la battaglia, che mi porge la mia deuotione
 ne a dedicarlo a *U. S. M.* sono la cui protezione uiuere dai colpi del tempo, e della
 morte eternam^{te} sicuro. Supplico *U. S. M.* a gradirlo, come uo, se non ad *U. S. M.* la sua
 grandezza, almeno ad esercitarla in se medesimo douendo egli col calor orale, et ricu-
 dai suoi fauori, per n'fama maniera cauiuari, che quasi ad uita seconda uita ciua, e
 potrà giustam^{te} prezzarsi d'esser ma eccelsa, et insieme per lui gradisca ciuando. *U. S. M.*
 l'affeto, di chi lo presenta, come nulla fine brando di *U. S. M.* e che se ne dice
 e le uita inutile se in uirtu delle sue grà lo uita seruato. *U. S. M.*
 da chi può darla, e uita e felicità per ce tua *U. S. M.*
Di U. S. M. et D. M. *U. S. M. et D. M.*

Generazione

che in esse vengono per lo più comuni. L'atto
di violenza di cui si parla, e che si è già
inceduto a descrivere, alle comunità di S. Giovanni o
Castella, riguardando forse che alcuni di esse pure
erano state di prima in marcia, (come si
vede in alcune cartelle) e per questo l'indicare
il titolo sotto gli nomi delle comunità
di S. Giovanni alla Tab. 34, come si aveva
chiamate alle Cortes.
